

The Shops

and the details about

Row by Row Experience

It's a BIG, easy shop hop!

Simply visit any participating quilt shop during the summer and ask for the pattern for a row in the Sew a Season quilt. Each shop is choosing a season to represent in their row and offering the pattern at no charge to customers who visit the store between July 1 and September 2, 2014.

**There are no fees
and no passports!**

All shops are open different hours:

Be sure to check the shops' websites or call ahead when planning your route to verify the summer hours.

See the rows on Facebook!

Each area has a Facebook page and the shops are posting photos of their rows. You can "like" your area's page and any you plan to visit, but you don't have to be a member of Facebook to see the photos.

Win prizes!

With Row by Row Experience you can win a prize for sewing! Complete a quilt using at least 8 different rows from 8 different 2014 participating shops. Be the first to bring it into a shop and you win a stash of 25 fat quarters. (That's 6-1/4 yards of fabric!) Win a bonus prize for using that store's row in your quilt.

A quilt will be considered "complete" when it is quilted, bound, and labeled.

Use any pattern to layout your rows. You decide. Stack your rows, arrange around a center medallion, make them horizontal, vertical, upside down, on the front, on the back, whatever! You are the designer. Be creative and have fun, but be sure to use at least 8 different 2014 rows.

The important disclaimer: One prize per quilter. You may make several quilts and show them off in several shops, but **you may only claim one prize.** Your quilt will be photographed for Facebook and everyone will see it, so play fair!

**Remember -
this is a shop hop for travelers!**

Participating Row by Row Experience shops are offering the pattern as an incentive for customers to visit their stores. Please don't ask for a pattern to be sent by mail or email.

The patterns are copyright property of the designers. You may not copy or transfer the pattern in any format without express permission from the pattern author or publisher.
